

Dear Cavendish Close Families,

Harvest Festival Celebrations will take place next week (beginning 29th September). Each year group has been learning a special Harvest song. We will learn about Harvest together.

We would like to invite all families to contribute food items towards our Harvest display on the stage in the hall. Tins and packets of food are preferable please.

Please send in your contribution by Monday 29th September. Thank you.

Many Thanks!

After our Harvest Celebrations in school, the food we gather will be distributed to charity organisations in Derby to help feed people and families in need this Autumn. Thank you for caring and sharing.

Best wishes from Mrs Diffin x
