Out of hours care

We offer high-quality childcare before and after the school day, from 7:45am until 5:45pm. Children are cared for in school by our experienced support staff.

Our staff

Our experienced and enthusiastic school leaders have been serving the Chaddesden and Oakwood communities for many years.

Excellent facilities

Our school was rebuilt in 2019. Come and visit our modern and purposeful learning environments and extensive and impressive grounds. Recent investment has enabled us to create wonderful outdoor learning spaces.

Nutrition

Healthy and fresh meals are cooked and served to the children every dinner time.

A great start

We offer 15- and 30- hour places in our excellent, teacher-led Nursery for 3- and 4- year olds. As a result of the nursery's work, children are well prepared for starting school.

In May 2022, Ofsted declared that our school continues to be a good school.

They found that:

"Cavendish Close Infant and Nursery School is a nurturing and caring school."

Early identification of need leads to effective support.

"Inclusion is at the heart of the school's work.

The provision for children with Special Educational Needs and Disabilities is a strength of the school"

"Teachers have high expectations of children's behaviour."

"Good manners are valued."

"Leaders have designed an ambitious curriculum. Starting in the early years, curriculum plans identify what children will learn and when."

"Children are provided with a range of experiences beyond the academic curriculum."

"Children's well-being is given the highest priority."

"Safeguarding is led by an effective team."
